Re: Resolution 36-14 - 2014 Street Light Pole Painting Project

Background

The Division of Streets and Utilities solicited bids for the 2014 Street Light Pole Painting Project. This project includes painting street light pole and bases, painting traffic signal mast arms, electronic signage poles and painting street light and traffic control cabinets. The budgeted amount for this project in the 2014 CIP was \$155,000. The bids were opened Thursday, May 1, 2014 at 2:00 P.M.

Four bids were received. The results are as follows:

Vendor/Contractor	Bid Amount
Martin Painting & Coating Co.	\$97,324
Brian Brothers Painting and Restoration, LLC	\$136,995
The Painting Company	\$143,978
Kastra, LLC	\$164,850

Staff has reviewed Martin Painting & Coating Company's bid and determined it to be competitive and responsive to Dublin's solicitation. It did not contain any noticeable irregularities or missing qualifications. Moreover, Martin Painting has extensive experience in providing this type of work, and Dublin has had favorable experiences with Martin Painting on past Dublin projects. Staff completed reference checks on the company, and all references were favorable. Work is expected to begin within the next three weeks and conclude in early October.

Recommendation

Based on the foregoing, staff recommends Council approval of Resolution 36-14, accepting Martin Painting and Coating Co.'s bid in the amount of \$97,324.00 as lowest and best, and authorizing the City Manager to enter into a contract with Martin Painting and Coating Co. for this project.
